***Mr. Garber's Poem Introducing Nate Clements - Go Pro***

Nate Clements, the forty-niner, went to Ohio State,  
You don't play for teams like that unless you are real great.  
He's a cornerback and he'll tackle you, if you've got the ball,  
Running backs get really nervous when they get the call,

Cause Nate Clements will knock them back and take the ball away,  
But football's not the only game that Nate Clements can play,  
He plays a game called "giving back" and that's why he's here today,  
To tell you what school meant to him and why you've got to stay,

And learn as much as you possibly can to prepare for what's to come,  
Cause you don't get to the NFL droppin' out and bein' dumb,

So, join me in welcoming Nate Clements, he's easy to get to know,  
And he'll tell you about his special plan, which he calls, "Goin' Pro".
