We would like to offer your teen an amazing opportunity to participate in a fun, enriching after-school program offered here at Cabrillo Middle School.

The program focuses on creating a safe and fun environment for your teen to be a part of after school. Participants are helped to succeed in school through enrichment activities that vary from educational activities, physical activities, cultural enrichment, arts and crafts, music, dance, sports, games, and many more. Our staff strive to be positive adult role models for teens to help build character values and assets that include Responsibility, Honesty, Caring, and Respect.

The program fee is \$30 per month. Financial aid is available! Speak to the Director about our sliding scale for fees.

If you are interested in registering or have questions, please contact Angelina Fraire, YMCA Director for Cabrillo at (408) 423-3742, stop by the Office for an application, or come by the cafeteria after school.
